Dalebrook Capital

COMPLEXITY SIMPLIFIED

STAY THE COURSE

Following President Cyril Ramaphosa's recent address regarding the restrictive measures needed to combat the outbreak of COVID-19 in South Africa, I am personally reaching out to assure you that Dalebrook Capital is as committed as ever, to managing your financial assets as effectively as possible during this critical period.

In the words of the President, "We must not allow ourselves to be overwhelmed by fear and panic."

We have the best interests of our employees, our clients and our communities at heart, while ensuring minimal disruption to our work and client service during this period. We have the necessary technology infrastructure in place to work remotely without any disruption.

Also, rest assured that we are in constant communication with your financial advisor to ensure transparency in process and decision making at all times. Should you have questions, please engage with your financial advisor who will be able to provide the necessary information.

Our thoughts and prayers are with you and your loved ones during these trying times.

Kind regards
Johann Kloppers
